## THE PRES SAYS

G'day to all,

Thankfully we were able to hold a successful Christmas party this year. This was well attended and enjoyed by all, including the kids and was highlighted by a visit by Santa. The day also included our annual Club awards. Congratulations to all of our award recipients. More on this in the newsletter.

Thank you to the Committee for their hard work throughout what turned out to be another difficult year.

We look forward to renewed Club activities and participation for 2022. Already we have a number of trips planned with different trip leaders. Special thanks to Andrew Smith, Tyler and Hollie as new trip leaders who have a day trip arranged for Saturday 11th December. They are also planning another trip to Big Desert in April.

If anyone else is interested in leading a trip for the first time, or has ideas for a trip, contact myself or a member of the Committee. We can help you with a plan, it not hard and doesn't need to be difficult or complicated.

Keith Murdoch has some great ideas for social activities for next year as well.

Together, let's make 2022 a year of high participation and social interaction within the Club.

Have a great Xmas and New Year.

Cheers,  
Geoff

# SOCIAL NIGHT @ THE VALLEY INN

## SATURDAY 6<sup>TH</sup> NOVEMBER 2021

It was great to have our second social night for the year (due to covid) at The Valley Inn Hotel for a great social evening with old and new friends.

Once again it didn't take long for the evening to be fully booked, lucky for us that we were able to secure another table allowing all who wanted to attend being able to. The meals were terrific, the drinks flowed and everyone enjoyed themselves.

Thankyou for everyone for attending, it was a great turn out and hopefully we will be able to have regular social nights again next year covid permitting.

Cheers, Keith

## CLUB MEETING & BBQ

### WEDNESDAY 10<sup>TH</sup> NOVEMBER 2021

Another great for the year was getting back to the clubrooms for an in-person club meeting, and summer sizzle on the BBQ to get things rolling.

The weather might have been a little cool, but that didn't stop a good number

of members coming along for a feed and a chat, and to catch up on trips that have been and gone, and new and upcoming.

The monthly Pist 'n' Broke award was a no brainer, with Geoff losing a wheel on a recent trip!

Thanks to Keith and Mark for sorting the BBQ and keeping everyone fed.

See you next meeting,  
Danny

Make sure you keep an eye on the website and our Facebook page for more information on upcoming trips and social events.

# 2021 CHRISTMAS PARTY

28th NOVEMBER 2021 -- Words & Photos: JUANITA MOUNTJOY

Can you believe it's that time of year again? As the countdown begins to Christmas, we were fortunate enough to be able to gather as a club this year to celebrate the season.

This years Christmas party was held at the club rooms with around 30 adults and 16 kids in attendance. The weather was perfect as we gathered outside with drinks and friends for a chat.

We dined on pizza and ice-cream and had a very special visit from Santa. Club awards were presented to worthy recipients.

Overall the day was fun and casual, a perfect way to end what has been a very stressful year for many.

In closing, I would like to wish you all a very Merry Christmas. Have a safe holiday and I look forward to seeing you all again in the new year,

Juanita Mountjoy

# MELBOURNE CUP WEEKEND IN THE VICTORIAN HIGH COUNTRY

FRIDAY 30TH OCTOBER TO TUESDAY 2ND NOVEMBER 2021

WORDS, RECIPES & PHOTOS: TYLER SMITH

Seven vehicles met on Friday morning at the BP roadhouse at Little River. From there we headed to Mansfield for lunch and top up of fuel. After lunch it was on to camp at 8 Mile campground on the Howqua River. It was cold and wet, so a good fire was essential. Andrew and Tyler joined the group at about 6pm, with Danielle and Jane arriving about 11pm to complete the group.

Saturday saw us leaving camp at about 9am with an easy drive to Bindaree Falls. There were a number of other groups with the same idea but it was a pleasant walk to the falls with good photo

opportunities. We then followed the Bindaree Road and turned onto Monument Track which proved harder than anticipated.

A section had been chopped up with the help of about 12 preceding vehicles and some rain the night before, and sections were slightly off camber. Brad and Deb were the first to get stuck in the Ranger. Andrew and Tyler winched them back onto the track for a second attempt that was successful. Mark was "distracted" by radio chatter and ended up in the same spot as Brad and Deb, resting near a tree on the edge of the track. Geoff winched Mark backwards back onto the track for

another successful attempt. All the others made it up to continue to Craig's Hut.

Craig's hut was very busy with a packed car park. We stopped there for lunch and a photo opportunity at the hut. Tyler spoilt us with a homemade "Caramilk Rice Bubble Slice".

After lunch we took Speculation Road to Lake Cobbler Track and then to the Lake Cobbler Hut camping area. Geoff Connor had a few issues with his second battery and charging, which had him playing with his car whilst the rest of us enjoyed the fire and banter.

Sunday, after breakfast, we enjoyed a walk to the water fall behind Lake Cobbler. This was a bit slippery along the way, but there are great views from the top of the falls. After leaving camp down Lake Cobbler Road we were able to look back on the water fall we just walked to from the other side of the valley.

We then took Williams Logging Road which led back to Cobbler Lake Track and a climb to a helipad for morning tea. We then turned onto Abbeyard Road and had lunch along the Buffalo River Road. From there we followed the Buffalo River to Harry Sheppard track which included a nice long climb. There was a little confusion as to our directions but we eventually found Riley's Track and then Wonnangatta Track, crossing the Wonnangatta River to the old Wonnangatta Station for camp. A few cars collected some firewood where Tyler amazed us with a Coconut and Jam Drop Damper for everyone for dessert.

After breakfast and packing up on Monday, we looked at the Wonnangatta Valley Homestead Cemetery and Homestead Ruins. After the trip leader took 3 wrong turns to get out of camp, we were on our way along the Wonnangatta Track with 3 river crossings to start the day.

Turning onto Hart Spur Track we began the long climb from 440m to just over 1200m which led to a quick stop at the

### ***Caramilk Rice Bubble Slice***

#### **Ingredients:**

- 395g can of sweetened condensed milk
- 100g butter chopped
- 2 tsp vanilla extract
- 2x 180g block of Caramilk chocolate chopped
- 250g Arnotts caramel flavoured scotch finger biscuits
- 1 ½ cups of rice bubbles
- ½ cup desiccated coconut
- 1 ½ tsp vegetable oil

#### **Method:**

1. Grease a 20x30cm slice pan, line base with baking paper.
2. Place condensed milk, butter,

- vanilla and half the chocolate in a small sauce pan over a low heat stirring until melted, then set aside to cool slightly.
3. Place the biscuits in a food processor and process to a fine crumb.
4. In a large bowl place biscuits, rice bubbles, coconut and stir.
5. Pour in condensed milk mixture and stir to combine.
6. Press the mixture into slice pan, cover and place into fridge for 2 hours min.
7. Place the oil and remaining chocolate in a heat proof bowl over a saucepan of simmering water and melt until smooth.
8. Pour over mixture in slice pan and refrigerate, slice when set.

helipad for mobile phone reception. Ross led us along Tee Tree Spur Track via another wrong turn down to the Crooked River for a fairly deep and fast flowing river crossing, then along to Randells Track with a few climbs then into Dargo for an obligatory cleansing ale at pub. After a couple of beers and a top up of fuel for those who needed it, we made our way to Collins Hut to set up camp for the night. At camp Tyler treated us with some camp fire “Smores” for dessert.

Tuesday had us packed up early with Daniel leading a small group home to beat the traffic. Ross led the rest of the group for a little more touring down Junction Spur Track to the East Pinnacle Lookout. There is a steep climb from the car park to the fire observation lookout which has fantastic distant views over the ranges. The plan was to head back down Marathon Road and back to the main highway but a deep bog hole prevented this and ultimately led to a longer drive on tracks than anticipated.

We had nearly made it out of the Avon Wilderness Park when Geoff’s left rear wheel “fell off”. Fortunately Geoff had spare studs and wheel nuts, so with some slick mechanical assistance from Ross we were able to continue with not too much time lost.

### ***Jam Drop Damper***

#### **Ingredients:**

- 2 cups self raising flour
- ½ cup desiccated coconut
- ½ cup raw sugar
- 2 eggs
- 1 cup milk
- 2-3 large tablespoons of strawberry jam

#### **Method:**

1. Place flour sugar coconut and

2. eggs into a bowl and combine. Add milk and stir, combine until mix becomes a consistency of a soft dough (add more flour if necessary) do not over mix.
3. Grease a round cake tin with butter, place dough into tin and make a hollow in the top.
4. Fill the hollow with strawberry jam, place in camp oven and cook on coals for approx 25-30 minutes depending on heat.

The day by now was quite warm and we were a bit hot and sticky after the “repairs”. Fortunately as we exited the park at Valencia Creek we came across a swimming hole on the Avon River where a number of families were already swimming. We took the opportunity to have a wash and cool off although no one was quite brave enough to actually submerge in the “icy” water.

After inflating tyres, Geoff split from the convoy towards Paynesville while Ross led the remaining group back towards Melbourne.

All in all a great weekend away with friends old and new. Thanks to Ross for leading the trip.

# CHRISTMAS PARTY & AWARDS PRESENTATION

28th NOVEMBER 2021 -- Words: KEITH MURDOCH

Photos: DANNY, SALLY & JUANITA

It was that time of the year again for our annual Christmas Party and Presentation Day. Mother Nature decided to give us one of her finest days this year, it was a beautiful balmy day.

Sharon, Beth, Juanita and Belinda started hanging Christmas decorations in the rooms and the fellas started setting

up tables and chairs. Some of the older kids helped out with blowing up the balloons, whilst the younger kids assisted with popping them. This kept the balloon blowers in work (fun all round).

Sharon did a great job of staying composed when the pizza van decided

not to turn up. Sally Sparks-Cousins suggested that Norlane Pizza was the go and Sharon & Juanita got busy organizing the ordering of enough pizzas to feed us all (twice).

Whilst waiting for the pizzas it was decided to proceed with the award presentations.

**APPRECIATION AWARD  
DANNY SPARKS-COUSINS**

This year the committee decided to present an Appreciation Award; which went to Danny Sparks-Cousins. Danny is our Editor, Webmaster and is responsible for our Club Permit Scheme and just about everything else you can think of. He is always in the background doing something for our club even though he doesn't have time to always attend many of our trips. He is always willing to help me with my silly questions about computers (he is a very patient man).

As we finished the award presentation the pizzas turned up and boy were they delicious. Not long after, the ice cream truck turned up on time much to Sharon's relief and all the kids big and small got an ice cream of their choice. Santa paid a visit and handed some presents to some very excited kids.

I would like to especially thank Sharon and Juanita for organizing such a great day for our club. Also, a big thank you to the 50 odd people who attended.

Cheers,  
Keith
