THE PRES SAYS

G'day all,

Thanks to all members who attended a successful AGM. Pizzas were enjoyed prior to the meeting and it was a good social night in addition to facilitating the required administrative functions of the Club.

Welcome to the new Committee members: Graeme Jeffrey (Vice President), Tim Neville (Trip Coordinator), Jimmy Halikias and Daniel Murdoch as ordinary members. Thanks also to Ross Barry as outgoing Trip Coordinator.

Congratulations also to Warren Tedford and Shez Tedford on their well deserved confirmation as Life Members of the Club.

The upcoming calendar is looking quite full with a number of social events and trips already advertised or in the planning phase. Some of these are detailed elsewhere in the magazine.

The Club is looking to be in good shape post COVID but its ongoing success depends on all of us.

See you on the tracks,
Geoff

Annual Report of the Committee	
	Geelong Four Wheel Drive Club Annual Report from the Committee for 2021 – 2022
	<p>The first half of the year was significantly affected by COVID restrictions. This impacted on the Moonambel Muster, normally the biggest event of the year. The Queen's birthday time slot had to be cancelled but we were able to run a deferred event a few weeks later, albeit with reduced participant numbers. The AGM was also affected and had to be held by Zoom video link for the second year in a row.</p>
	<p>The committee's main priority for this period has been to maintain the "normal" Club activities as much as possible to prevent a decline in membership and stagnation of our Club. Fortunately, we have been able to hold most of the General Meetings and all Committee meetings either by in person or Zoom. There have been 14 Club trips and 4 social events including Christmas party and Club Awards day at the Clubhouse. This has maintained consistent activity and creates a good foundation to improve the participation in and vitality of the Club into the next year.</p> <p>We have welcomed two new life members in Dave and Allie Hamann.</p>

(Continued on page 8)

Annual Report of the Committee (continued)	
	<p>The review of the Club By Laws has been completed and posted in final form on the Club website. This in association with a rewrite of the Rules of Association (Constitution) has been a significant project.</p> <p>A number of new members have joined the Club recently which is encouraging. The 2022 Moonambel Muster looks like being well subscribed at the time of writing which creates a good start to the year. We look forward to a successful and active year to come.</p>

LIFE MEMBERS

WARREN & SHERYL TEDFORD

Warren and Sheryl joined the Club in 2008. Since that time they have been active members of the club, initially participating in most club trips and social events. Later they led many trips together, particularly in the Victorian High Country which is a particular love of theirs.

Both have served on the Committee for many years initially as Ordinary Members. Later Sheryl was Secretary for 4 years. Warren was Editor for 3 years and then Trip Co-ordinator.

Sheryl has been Clubwoman of the year on six occasions. Warren has been Clubman of the year four times.

Both have assisted and participated in any and all activities the Club has organised. They have both demonstrated the personal attitudes and attributes of leadership and willingness to teach and convey their knowledge and experience to others. They have been selfless in their willingness to contribute enormous amounts of time and energy to support the Club.

It is with great gratitude we welcome both Warren and Sheryl as Life Members of the Geelong 4 Wheel Drive Club.

MOONAMBEL RECCY RUN

WORDS & PHOTOS: GEOFF DAVEY

Phillip had travelled to Moonambel on Thursday and Geoff and Dave joined him on Friday afternoon to set up camp and collect some wood in anticipation of a cold night around the campfire. Jim and Tim arrived a little later and set up before heading off to the Avoca pub for a counter meal with Geoff and Dave. On return Andrew and Tyler had arrived and with Phillip had a roaring fire to warm us all for the rest of the evening.

Saturday morning Phillip was up before dawn to do some deer hunting at Mt Cole. He had intended to be back for our departure from camp but just when he was about to return he was "honked" by a buck deer and couldn't help himself after that. Yep, he was off on a "wild goose (deer) chase" into the bush. Andrew left Tyler with the rest and went to explore the wineries and other sites in anticipation of his "tourist / winery" trip for the Muster. Tim and Jim in one car and Dave and Geoff and Tyler in the other, set off for a quick run up the "easy" side of the Redbank lookout while we waited for Phillip. Well, it is more cut up than previously and for reasons that

don't need to be detailed here, Dave punctured a side wall on the way up, so our "quick trip" was a little delayed.

On return to camp we met Phillip (empty handed by the way) who jumped in with Tim and Jimmy as we were going to look at some of the harder tracks. The Golf was also left behind! First up was Turpin Track which is now quite cut up with big rock steps and is now genuinely difficult to drive. We then cut back on Donkey Hill to Old Tiger Cat, Cross Track and a Dave Purdie "secret track" before heading to the top of "Morries" for lunch in the rain. After lunch we spent 2 or 3 hours with chainsaws clearing the track. The track is difficult currently and still requires some tidying up with a chainsaw before it is suitable for a convoy.

As daylight ran out we headed back to camp collecting some more wood on the way. Then it was off to the Moonambel pub for another counter meal before the standard evening around the fire.

There was rain overnight and the tracks

in the hills were now quite wet. Phillip and Andrew headed back to Geelong and Tyler stayed with the group as there was the promise of more difficult tracks to come. Tim, Jim and Tyler led with Dave and Geoff at the back. We checked out Sardine track and onto Donkey Hill and the link track towards Percydale. From there we stopped and walked around an old mine site at Fiddlers Dam before heading up Slate Quarry Track and past the Stanwell Mine.

We continued east on the main track where Dave pointed out a lookout and some side tracks to be explored at a later time, then south to the campgrounds on Ebling track where we explored some unmarked tracks. After that it was on to Gollop track where there is a steep pinch near the end of the track makes the track difficult in the wet conditions.

On the way back to camp the chainsaws came out for the last time for some more track clearing at the top of an unnamed track that Tim wants to use on the Queen's Birthday weekend. There

was a last deviation to a lookout past Mount Avoca, then back for lunch and pack up at Moonambel (via Sardine).

The tracks in the hills are quite wet at the moment and although there is a little rain about in the lead up to the Moonambel Muster weekend, it looks like it will be less than the previous week, so hopefully it will dry out a bit. The weekend was useful to gauge the condition of the tracks and there was quite a bit of clearing done. Thanks to Tim for leading and all who attended. It was a bit cold and wet, but plenty of banter around the fire and a fun weekend overall.

EASY ANGLESEA ARVO & LORNE PUB DINNER

WORDS: ANDREW SMITH

PHOTOS: MICHAEL CLOSE, GEOFF DAVEY & TYLER SMITH

The trip started with meeting at the Great Ocean Road Chocolaterie, just outside of Anglesea, at half past two. Here we caught up with members new and old before we aired down and headed towards Anglesea.

Friday night and Saturday had seen a fair amount of rain fall through Anglesea so the tracks were a little more greasy than

anticipated. This was evident on the first hill we came to with Geoff Van Ingen becoming stuck and needing a snatch to get himself up the hill.

Everyone else made it up the hill although snaking from side to side but made for some fun.

A quick repair to Andrew Kovac's

raditor/heater hose by team JimTim after steam was noticed bellowing from his car.

We made our way through some easy but wet tracks puddle after puddle before taking a look at powerline track. A potential member in our group took a more difficult line than everyone else and got himself in all sorts of

trouble, requiring 2 cars doing a double line winch pull to get him back to safer ground.

The beer gods started calling so we ran Alcoa Boundary track to Peregrine track and made our way on dirt roads to Moggs Creek where we aired up.

A quick trip along the Great Ocean Road to Lorne, to the pub for dinner, a few drinks and friendly banter.

A great turn out for a fun afternoon in the bush, thanks to all that attended

Cheers,

Andrew
