THE PRES SAYS

G'day all,

The AGM in August was well attended and turned out to be a good social evening. Welcome to Sophie Brocks and Alanna Stratford as our new Committee members and thanks to our continuing Committee members.

We also congratulate Danny Sparks-Cousins on his appointment as a Life Member of the Geelong 4WD Club. This is well deserved. See more in the magazine.

One of the key projects for the new Committee is to seek more input from all members as to what they would like to get out of their Club membership. The aim is to improve participation so that we can maximize our collective enjoyment our Club. More on this in the following months.

Don't forget the Club awards night on Saturday 28th October at the Fyansford Hotel. This would be a good start to improving participation. Last year was a great turnout; let's see if we can do even better this year.

On the trips front, the Mountjoy's big Tassie exploration departs this month and we are hoping to announce a few day trips in the near future. Planning for the Christmas party is also on the way.

See you on the tracks.

TIMMY'S SNOW TRIP

FRIDAY 11TH TO SUNDAY 13TH AUGUST 2023

WORDS: SOPHIE BROCKS

PHOTOS: GEOFF DAVEY & TIM NEVILLE

Friday we all met up at the BP at Little River (save for waiting for one, who was at the wrong BP). Once the convoy was together we travelled up via Healesville and Eildon which had some amazing views (and many windy roads).

Once we arrived in Jamieson we

headed straight into the Jamieson Brewery for lunch before unpacking at camp.

It wasn't long and we were off on our first track. We headed up Jamieson Lookout Track and found some firewood along the way. This was a pretty easy track with no issues. We

ended the night with dinner at the pub and a yarn or two around the fire!

Saturday morning we were aired down and ready to find some snow. We left Jamieson and made our way up to Mount Skene. We were very surprised to still find some snow

which was fantastic. Everyone had a quick play and before long we were on our way again.

With limited snow, we set off and tackled a few great tracks for the afternoon, including Webber Spur, Old Flats, Champion Spur and the infamous N15.

Lunch was an awesome feed of Allie's home made sausage rolls which everyone enjoyed. Finishing the tracks for the day, Tim had us home at a reasonable time this year and we made our dinner booking at the Brewery, which everyone was extremely happy about.

Sunday was home day for most. A couple of people headed off via the main roads to Geelong. A few more hit the tracks to get back the long way. We headed off to Mount Terrible, which again showed off amazing views. We made our way along a few more tracks before stopping at a camp ground to air up. A few people headed back to camp to stay another night, and everyone else headed back to Geelong.

It was a wonderful weekend, no major issues, good weather and a great group to hit the tracks with!

KNOW THE COMMITTEE

ALANNA STRATFORD

ORDINARY MEMBER

My husband Jack and I have been members of the club for almost two years now. We both have a sense of adventure. After a couple of trips away with Justin and Sophie Brocks, we realised that having a four wheel drive we could explore places we hadn't been before. Long story short, we bought a Patrol and joined the club. The first day we got the Patrol Justin took us out to the Powerline Track in Anglesea. It was then we realised we had a lot of work to do to ensure it was capable for Timmy's hard/extreme trips.

For those that don't know me, I am a beauty therapist and I recently sold my clinic after ten years. I am have a beautiful daughter called Lola. Something random that you probably wouldn't expect from me is that I recently became a scaffolder.

This year I was nominated to be on the committee. Those that know me well know that I love planning events! I am looking forward to working with the committee and contributing where I can.

Over the past two years we have been on a number of trips and long weekends away with the club including to the snow and the club's annual Moonambel Muster. These trips have been great family weekends away. If you ever end up on a trip with me, I am the platter queen and usually have all the essentials.

Alanna

KNOW THE COMMITTEE

SOPHIE BROCKS

ORDINARY MEMBER

I have been a member with the club intermittently since about 2014. Since having our children we have rejoined the club to get out and about on more adventures. Having our children joining in on trips that, their father, grandfather and great grandfather have all done throughout the 50 years of the club is a great thing to experience.

I enjoy camping, cooking and spending time with our family.

I am a passenger in a GQ patrol. We are in the process of looking for my own 4x4 which hopefully I'll gain some experience with driving off road!

My favourite club trips would have to be the Moonambel Muster, and also the Jamieson trip. Beachport is also high up in the list of favourite places.

I joined the committee to help give support to the people who carry the bulk of it. Many hands make light work, and I'm excited to see what we can accomplish in 2024!

LIFE MEMBER DANNY SPARKS-COUSINS

Danny joined the Geelong 4WD Club in 2007. Shortly after that he joined the Committee as Webmaster and has continued to serve on the Committee as either Magazine Editor or Webmaster or both throughout most of his time at the Club. He has been a longstanding member of the Otway Liaison Group and has recently initiated and coordinated the Club's VicRoads Permit Scheme.

He has effectively also been the Club's I.T. Consultant, providing advice on computer hardware and software, providing grant submissions including the Telstra booster at the Clubrooms and arranging the recently acquired credit card facility.

Danny has provided a consistent, strong and unwavering commitment to the club throughout his membership. This includes many behind the scenes contributions that often go unnoticed:

- review of Club forms, systems and processes
- assistance with the documentation of the AGM
- maintaining the online mailing system and club emails
- assistance in the organisation of Club events including the recent 50 Year Reunion, Moonambel and previously Otway Antics, Sokil Scramble
- encouraged exposure on TV for our club with events and trips
- coordination of sponsors and sponsorship prizes for the Club magazine and Club events
- provided graphic design assistance for logos, clothing, flyers and merchandise
- maintained a photographic library of trips and events
- assisted in track classification system with FWDV / Parks VIC & classifying tracks in the Otways
- provided mapping & GPS help to many members.

Throughout his time at the Club Danny has displayed leadership, perspective and a helpful attitude at all times. He is a worthy Life Member who displays all of the attributes to effectively serve as a role model within the Club.

The Committee congratulates Danny on his appointment.
