# The Pres says

G'Day All,

Well the silly season is well and truly knocking on our doors and before we know it, it will be all done and dusted for another year.

Just a few reminders for you all. There is no committee meeting this month but there is one in January. There will be no general meeting in January either. The first General Meeting for next year is on February 14th, so all you romantics could bring your partners along for a romantic BBQ for 30-40 odd before the meeting.

On behalf of myself and the rest of the committee, I would like to wish you all a very Merry Christmas and a Happy New Year. Please drive safely on the roads if your traveling and look after your loved ones if your out and about. I hope to see you all in the new year safe and sound. Until then Ho, Ho, Ho

Cheers Byron

President Geelong Four Wheel Drive Club

# Campfire tasties

## Jaffle Iron

## Pizza

This camping recipe is sure to be a favourite! Plus, it's an easy camping recipe for kids that they will likely request more than once. So stock up and feed your crew!

### Equipment:

1 jaffle iron

### Method:

1. Heavily butter one side of each piece of bread.

- For biscuit dough and pizza crust dough – heavily butter the jaffle iron instead
- Biscuit dough: mash and pull the dough until it is flattened out to fit the inside of the jaffle iron – 1 biscuit for each side
- Pizza crust: butter the jaffle iron, lay the dough inside one half of the iron, with an equal portion hanging over, then fold the back over the toppings before closing iron

2. Generously spread pizza sauce on one side of bread/biscuit/dough – to suit your taste. Then add shredded cheese and toppings, if used.

3. Spread more pizza sauce on the other piece of bread/biscuit, or flap of pizza crust. Season with oregano and garlic salt, then close jaffle iron. (For pizza crust – fold flap in, over cheese and toppings first.)

4. Trim off any excess ingredients when iron is closed.

5. Cook on the BBQ.

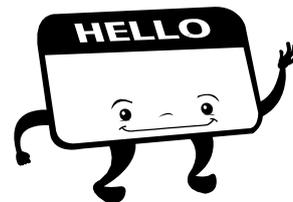

- For bread pizza: after three minutes, rotate pie iron and cook for four more minutes
- For biscuit and pizza dough: rotate after four minutes, and cook for five more minutes
- Approx. times – use judgement – jaffle irons can be closed and re-cooked if you want more them more well-done, but essentially you are just toasting the crust and melting the cheese

6. Open the irons and use a spatula to remove pizza. CAUTION! Jaffle irons will be very hot. AND, the insides of the just-cooked pizza will be very hot! Do not let young kids try to handle them until they have time to cool – which should only be a few minutes.

*Note:* Olive oil or pan sprays can be used instead of butter/margarine.

## DON'T FORGET YOUR BADGE

**BADGES** - It is great to wear your badge at all monthly meetings, events and community activities.

### **Ryans Spur Hut Restoration Weekend 28/29<sup>th</sup> October 2017**

Trip leaders. Warren and Shez

Participants.. Ross Barry and Kevin Livesay.

We left Geelong very early on the Saturday morning with a very well loaded trailer full of all the timbers, tools and other necessary items to do the repair to this hut.

We were met at the hut by Ross and Kevin and members of MJOC. There wasn't any messing round, everyone got to work. By the end of the day the hut had been completely restored, with the following tasks completed.

- We dug out the sapling trees that were growing up against the hut as these could compromise the huts structure over time. (we had permission from DELWP to do this task.)
- Removed debris from around the hut including removing branches hanging over the hut.
- Rebuilt walls
- Straightened the hut
- Repaired flooring
- Rebuilt the front steps and table
- Added a new bench
- Removed old beds and kitchen
- Rebuilt fire pit
- Drained all the water holes
- Repaired the windows and fixed mini orb sheets to protect from weather.

This little timber logging hut is now very stable and safe for people to visit and should be around for many years.

This was a massive effort and I thank Warren, Ross and Kevin for their huge efforts throughout the day to get this hut repaired. And all in a day. With the weather looking bad and storms approaching it was decided that we would not stay up on the mountain over night as previously planned. It just wasn't safe

or practical. We packed up all the tools etc and headed down. We had hail, heavy rain, thunder and lightning all the way down the mountain to big river road, so our decision to leave was the best outcome. We aired up (in pouring rain) and headed out. We stopped at a pub for a well earned meal before heading back to Geelong.

## Suggan Buggan School House

This month we are featuring a beautiful historic School house, located in Suggan buggan. Suggan Buggan is a very small township deep in a beautiful valley in the remote wilderness of north-eastern Gippsland on Barry Way and surrounded by the **Alpine National Park**. There is a free camping area on the Suggan Buggan River.

Edward O'Rourke established the first permanent home in Suggan Buggan and there raised a family of 10. The services of a tutor named Ballantyne were employed to help with the children's education and the Suggan Buggan school house was purpose built.

The school house was built in 1858 and was built of slabs and had a shingle roof. The school house consisted of two rooms with a large stone fire place at one end. The other end was where the teacher slept.

## Potato Night 17/11/2017

It was a great night at our club rooms for our Potato night. We had a good attendance which was awesome to see.

It was a great social night for everyone with plenty of laughter from the children.

Thankyou to Allie for organising this event and a big thankyou to Mark and Nicole for the fabulous and delicious potatoes.

We hope there will be many more social events like this one. Thanks everyone for coming along and supporting our great club.

## TRIP LEADERS REQUIRED

Just about anyone can lead a trip with a little guidance from an experienced club member. Day trips are very easy to organise; they don't necessarily need to be technically challenging or complicated - it might simply be a tour through some local bush scenery, a picnic or a trip to the local wineries.

If you would like to lead a trip for the Club but are a little unsure of how to go about it - Simply contact the **Trip Co-ordinator** [trips@geelong4wdclub.org.au](mailto:trips@geelong4wdclub.org.au) - or speak to one of the more experienced members who would be happy to give you some advice.

We would also love to hear from more experienced members interested in leading trips
